Introduction:

Thermoworx one of the prime COLD CHAIN / HVAC equipment manufacturer and project management company. Our focused areas of business are;

A-EQUIPMENT

We are manufacturer, Importer and supplier of Top Class PU / PIR Sandwich Panels, Fin and Tube Heat Exchanger (Coils), HVAC equipment and COLD CHAIN Solutions. (Cold Rooms, Walk in freezers, Refer. Containers).

B-SERVICES

Complete project feasibility Planning, Designing , Consulting and Execution of projects, On turn key Basis.

C-SUPPLIES AND INTENDING

We are also representing world Renown Brands in HVACR equipment and parts in Pakistan.

D-CUSTOMIZED EQUIPMENT

We deals in all kind and types of customized HVACR equipment; which includes critical application equipment. e.g Mobile AC plant. De-humidifiers and more.

E-OUR PLANT

Our Plant for PU / PIR Panel manufacturing is imported from Turkey, having state of the art technology to produce high quality sandwich panels.

Company Info:

Company Name	Thermoworx
Brand Name	<i>THERMOWORX</i> 
Address / Factory	Plot No. 105-B, Small Industrial Estate-2, Lahore.
Email Web	info@thermoworx.pk www.thermoworx.pk
Contact Nos.	0300-4574883 0303-4241992 0316-5809371 0320-4047685
Postal / Office Add.	21 Block-D / PCISR Staff society, Near College Road, Lahore, Pakistan
Nature of Business	COLD CHAIN-REFRIGERATION HVAC / Indenting / Consulting / Contracting / Services
NTN No.	8391244
GST No.	3277876215007

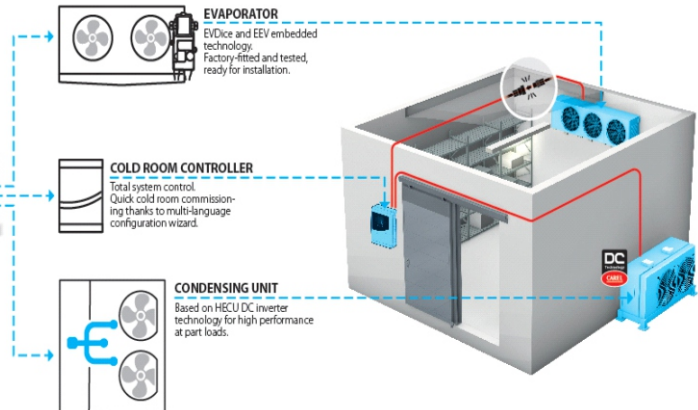

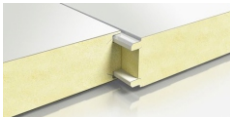

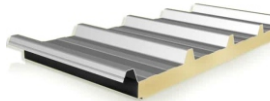

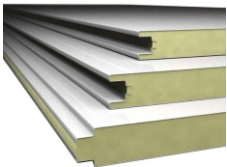

Cold Chain Equipment

1. Walk in Freezers, Blast Rooms Cold Rooms & Refer Containers
2. PU / PIR Panels Complete Range of Sizes and Application
3. Design Feasibility, Planning which includes
 - a. Load Calculation
 - b. Equipment Specifications
 - c. Execution of Projects
4. Deal in Local & Imported Refrigeration Equipment & Refer Container.
5. ICE Bank Manufacturing for special purpose applications

PU / PIR Paneling System

Refrigerated Trucks / Containers

HVAC Equipment

1. Chilled Water / DX Type AHU for Standard and Customized Application
2. Roof Top Package Air Conditioners
3. DX Type Split AC System e.g. Floor Standing Cabinets
4. Chilled Water & DX Type Fan Coil Units
5. Air Cooled & Water Cooled Screw & Centrifugal Chillers
6. Mobile Air Conditioning Plants
7. De-humidifier Desiccant Wheel Based AHU's / AC Units for Low Humidity Areas
8. Hygienic AHU for Clean Room / Operation Theater Application

Range of HVAC Equipment for All Kind of Applications:

R T Package AC

**Pharma / Hospital
Grade Packaged AC**

Roof Top Package AC

**DX / Chilled Water
Air Handling Units
(Local & Imported)**

**Air Cooled
Screw Chillers**

**Water Cooled
Screw Chillers**

Range of HVAC Equipment for All Kind of Applications:

Condensing Units

**DX / Chilled Water
Fan Coil Units**

**Floor Standing Type
Split AC (Indoor Unit)**

Desiccant wheel Based AHU (Dehumidifiers):

Application:

Pharmaceutical Industry
Food and Beverage Industry
Clean Rooms
Process Industry
Printing ETC

Air Flow:

1000 CFM to 12000 CFM

Trailer Mounted Mobile AC Units

Services

1. Project Feasibility, Planning and Execution
2. Imported and Local HVAC Equipment supplies
3. Intending and Contracting
4. Consulting Engineers, Complete Project Design works
5. After Sales Services & Maintenance
7. Parts and Services Backup

Supplies & Indenting

		
		
		
		
		

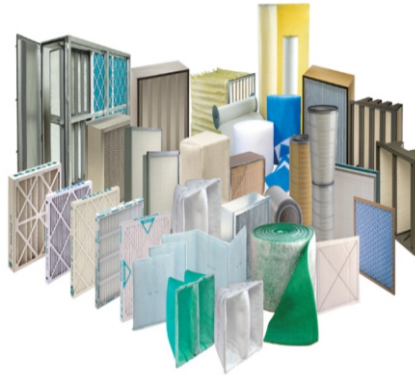

Supplies & Indenting

Following are the components / parts and equipment we deals in.

Sealed Hermetic Compressors

HVAC Filters of All Types

Refrigeration Controls

Semi Hermetic Compressors

Temp. / Humidity Controllers

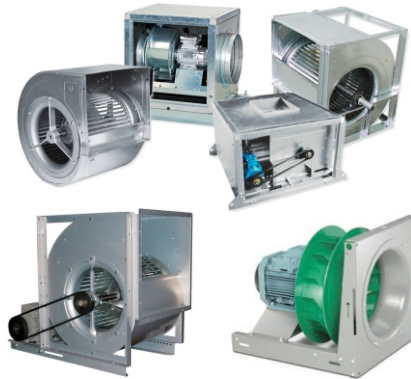

VFD / Transducers

Supplies & Indenting

Following are the components / parts and equipment we deals in.

Electrical Components (All Brands)

All Type of Fans

Axial Fans

Axial Fans

Refrigeration Units for All Temperature & Applications

Supplies & Indenting

Following are the components / parts and equipment we deals in.

Temperature & Humidity Loggers

Refrigeration Gases

Pressure & Temperature Gauges

Thermostat & Humidistat

Induction Motors

Flexible Ducts

Temperature Intelligence

Cold Chain Management - Take Full Control of your Supply Chain

Services

Global Position
Temperature
Humidity
Door Opening (Anti Theft)
Shock Recorder
Trip Reports
Destination Arrival Alert

Applications

Fruits & Vegetables
Chicken & Meat
Frozen Items
Ice Cream
Laboratories
Blood Bank
Pharma Warehouses
pharmacy

**Temperature Monitoring Device
(Data Logger)**
