CE Message

Ramzan Saeed

“We believe that success comes from a relentless focus on innovation and execution. **THERMOWORX** strongly believes in innovation in its products & Services. Innovation means doing things better and reliable.”

Introduction

25 Years of extensive experience in the field of **HVAC AND COLD CHAIN**; enables ***THERMOWORX*** to strive for the best equipment, services and solution provider in the industry. We have latest equipment, plant and machinery for the **PU/PIR** Sandwich panel manufacturing in Lahore- Pakistan.

Our machine made high quality Panel manufacturing; is the KEY factor for the ENERGY Saving and a Game changer move in **COLD ROOMS-WALK IN FREEZERS-CHILLERS** and Refrigerated Trucks.

Our Refrigeration Equipment is made with USA / EU Compressors and Components. We always use best in class compressor, specific to temperature application, ranging from -40C To +25C. Mainly used in Blasting Rooms Walk in Chillers and Walk in Freezers - cold rooms.

Energy efficient and latest components ensure the long term reliable usage of equipment; which is backed up by quick and efficient after sales services.

Just Not only the equipment; we provide Conceptual planning and feasibility for the large scale Refrigerated facility / HVAC project; by providing information and guidelines to clients for the potential upcoming business and growth potential.

MAJOR PRODUCTS AND SERVICES WE PROVIDE

- Prefab Machine made PU / PIR Sandwich Panel 50 mm to 150 mm
- Cold Room / Walk in Freezer and Chiller Boxes (Standard / Modular / Customized)
- Refrigeration Equipment from 1 KW TO 100 KW
- Refrigerated Trucks 6 Feet / 10 Feet / 16 Feet Long
